With **17 issues** every three weeks, the SAZbike will continue to be published in 2026 in a printed newspaper format. In addition to the classic editorial work with news, reports, analyses and interviews, the focus will once again be on product topics. The focus topics highlight selected product groups in each issue and explain, above all, which measures and ideas will make them a sales success in the specialized trade.

The **special publications** of the SAZbike focus on a topical and explosive topic. Due to their high information content, they enjoy a great deal of interest among readers as a reference work and high-quality source of information.

Clear design and variable presentation solutions
So you can present yourself:

Print

Our editorial team produces the product pages for you, and your products are perfectly showcased by our graphic design team. This guarantees maximum attention for your contribution.

1/1 page:

€ 1,790.-

Video

With the medium of video, you have the opportunity to showcase your products even better. Videos offer you the advantages of moving images and targeted explanations. This allows you to achieve even greater reach and attention.

With professionally produced videos, SAZbike offers the opportunity to showcase new products flexibly in terms of time. In a personal address, advantages and selling points can be clearly highlighted and explained.

Contents of the videos:

- Introduction: Greeting and presentation
- Interview & Discussion: Product highlights, technical details, and benefits are thoroughly explained
- Practical Demonstration: A short, visual demonstration in use, e.g., during a test ride or in the workshop
- Call to Action: Information on availability, testing opportunities, and further details on the website
- Publication: The video will be added to the SAZbike homepage (Showroom) and also published through the SAZbike newsletter and optionally on LinkedIn.

Price: per minute €1,190.-

Digital Advertising

SAZbike's **website** and **newsletter** are frequently visited sources of information for the bicycle industry.

The online presence that is constantly updated provides information on both current market events as well as relevant news that have an impact on our industry. Use these platforms to present your concepts and products. In addition to conventional banner advertising, we also offer our Online Showrooms as a combination of print and digital.

Sponsored Post

Similar to an advertorial in print or through a newsletter, a sponsored post offers the opportunity to present topics, solutions, and background information that require explanation. The integration connects your brand with the credibility of SAZbike. With an editorially designed article on sazbike.de, you can effectively communicate your message to your target audience:

- Content Basis: Your content (max. 4,000 – 5,000 characters of text, 4 images, 2 links, 1 video)
- 7 days home page presence on sazbike.de: 3 days within the top 3 news, 4 days in the second news block
- Permanent Online Article: The article remains online permanently, providing long-term SEO effects
- Optional Content Creation by the Editorial Team: Additional costs based on effort
- One-time Newsletter Integration
- Posting on LinkedIn: With a link to sazbike.de

Price: € 2,490 per post
